

The **KT1790** - The **UK Specific** Voltage Tester with **LED** and **LCD display**

- NEW Clear oversize LEDs
- NEW Bright torch light
- NEW Clear audible tone
- NEW UK Specific probe tips
- Complies to the latest International Standards

Clear Indication

Indication lights shine through voltage level

Built in Torch

Brilliant white light gives ample illumination

Phase Rotation

Bright green LEDs show left or right rotation

Slender Probes

Fits into recessed terminals such as RCBOs without unscrewing any caps
